

APPENDIX II: FACULTY

A

ANDREW ABBOTT, Gustavus F. and Ann M. Swift Distinguished Service Professor, Department of Sociology and the College
ISAAC D. ABELLA, Professor, Department of Physics and the College
MIKLOS ABERT, L. E. Dickson Instructor, Department of Mathematics and the College
PRAMOD N. ACHAR, L. E. Dickson Instructor, Department of Mathematics and the College
MUZAFFAR ALAM, Professor, Department of South Asian Languages & Civilizations and the College
ROBERT Z. ALIBER, Professor of International Economics and Finance, Graduate School of Business; Director, International Financial Studies Center
GUY S. ALITTO, Associate Professor, Departments of History and East Asian Languages & Civilizations, and the College
CLAUDIA ALLEN, Visiting Lecturer, Humanities Collegiate Division
DANIELLE ALLEN, Associate Professor, Departments of Classical Languages & Literatures and Political Science, Committee on Social Thought, and the College
MICHAEL I. ALLEN, Assistant Professor, Department of Classical Languages & Literatures
JONATHAN L. ALPERIN, Professor, Department of Mathematics and the College
FERNANDO ALVAREZ, Associate Professor, Department of Economics and the College; Editor, *Journal of Political Economy*
PRIYANGA AMARASEKARE, Assistant Professor, Department of Ecology & Evolution and the College
YALI AMIT, Professor, Departments of Statistics and Computer Science, Committee on Computational Neuroscience, and the College
ALFRED T. ANDERSON, JR., Professor, Department of Geophysical Sciences and the College
CHRISTINE ANDREWS, Lecturer, Biological Sciences Collegiate Division
ARJUN APPADURAI, Samuel N. Harper Professor, Departments of Anthropology and South Asian Languages & Civilizations, and the College
ANDREW H. APTER, Associate Professor, Department of Anthropology, Committee on African & African-American Studies, and the College
DAVID ARCHER, Professor, Department of Geophysical Sciences and the College
KAGAN ARIK, Lecturer, Department of Near Eastern Languages & Civilizations and the College
DMITRO ARINKIN, L. E. Dickson Instructor, Department of Mathematics and the College
HOWARD I. ARONSON, Professor Emeritus, Departments of Slavic Languages & Literatures and Linguistics
MURATE ARSEL, Lecturer and Associate Chair, Environmental Studies Program and the College
PHILIP ASHTON-RICKARDT, Associate Professor, Department of Pathology, Committees on Immunology and on Developmental Biology, Ben May Institute for Cancer Research, Gwen Knapp Center, and the College
ELIZABETH ASMIS, Professor, Departments of Classical Languages & Literatures and New Testament & Early Christian Literature, Committee on the Ancient Mediterranean World, and the College
LEORA AUSLANDER, Associate Professor, Department of History and the College
RALPH A. AUSTEN, Professor, Department of History, Committee on Interdisciplinary Studies in the Humanities, and the College
JUDITH AUSTIN, Assistant Professor, Department of Molecular Genetics & Cell Biology, Committee on Developmental Biology, and the College

B

LASZLO BABAI, Professor, Departments of Computer Science and Mathematics, and the College
WALTER L. BAILY, JR., Professor, Department of Mathematics and the College
WILLIAM BARNHART, Clinical Associate Professor, Department of Medicine
SHADI BARTSCH, Professor, Department of Classical Languages & Literatures, Committees on the History of Culture and on the Ancient Mediterranean World, and the College; Chair, Department of Classical Languages & Literatures
ELENA BASHIR, Lecturer, Department of South Asian Languages & Civilizations
JOHN M. BATES, Lecturer, Committee on Evolutionary Biology and the College; Assistant Curator, Department of Zoology, Field Museum of Natural History
CATHERINE C. BAUMANN, Senior Lecturer, Department of Germanic Studies and the College
DAVID BEAZLEY, Assistant Professor, Department of Computer Science and the College
GARY S. BECKER, University Professor, Departments of Economics and Sociology; Research Associate, Population Research Center

- ALEXANDER BEILINSON, David and Mary Winton Green University Professor, Department of Mathematics and the College
- ALBERT BENDELAC, Professor, Department of Pathology and the College
- JOY M. BERGELSON, Associate Professor, Department of Ecology & Evolution, Committees on Evolutionary Biology and Genetics, and the College
- LAUREN BERLANT, Professor, Department of English Language & Literature, Committee on African & African-American Studies, and the College
- R. STEPHEN BERRY, James Franck Distinguished Service Professor Emeritus, Department of Chemistry, James Franck Institute, and the College
- BENNETT I. BERTENTHAL, Professor, Department of Psychology and the College; Chair, Social and Behavioral Sciences Institutional Review Board, and Board of Computing Activities and Services
- DAVID M. BEVINGTON, Phyllis Fay Horton Distinguished Service Professor in the Humanities, Departments of English Language & Literature and Comparative Literature, Committee on Interdisciplinary Studies in the Humanities, and the College; Director of Undergraduate Studies, Department of Comparative Literature; Chair and Director of Undergraduate Studies in the Inclusive Option, Committee on Interdisciplinary Studies in the Humanities
- CHARLES E. BIDWELL, William Claude Reavis Professor Emeritus, Departments of Sociology and Education, and the College
- ROBERT D. BIGGS, Professor, Oriental Institute, Department of Near Eastern Languages & Civilizations, Committee on the Ancient Mediterranean World, and the College; Editor, *Journal of Near Eastern Studies*
- ROBERT BIRD, Assistant Professor, Department of Slavic Languages & Literatures and the College
- SPENCER J. BLOCH, Robert Maynard Hutchins Distinguished Service Professor, Department of Mathematics and the College
- EDWARD C. BLUCHER, Associate Professor, Department of Physics, Enrico Fermi Institute, and the College
- R. DARRELL BOCK, Professor Emeritus, Departments of Psychology (Research Methodology & Quantitative Psychology, Human Development) and Education
- ALISON BODEN, Senior Lecturer, Divinity School and the College; Dean, Rockefeller Memorial Chapel
- PHILIP V. BOHLMAN, Professor, Department of Music, Committee on Jewish Studies, and the College
- CARLES BOIX, Associate Professor, Department of Political Science and the College
- ABRAHAM BOOKSTEIN, Professor, Division of the Humanities and Department of Psychology (Research Methodology & Quantitative Psychology)
- JAMES BORGER, L. E. Dickson Instructor, Department of Mathematics and the College
- DAIN BORGES, Associate Professor, Department of History and the College; Director, Center for Latin American Studies
- BRICE BOSNICH, Professor, Department of Chemistry and the College
- JAMES E. BOWMAN, Professor Emeritus, Departments of Pathology and Medicine, Committees on Genetics and African & African-American Studies
- JOHN W. BOYER, Martin A. Ryerson Distinguished Service Professor, Department of History and the College; Dean of the College; Chair, Council on Advanced Studies in the Humanities and Social Sciences
- SUSAN BOYLE-VAVRA, Senior Research Associate, Department of Pediatrics
- NORMAN M. BRADBURN, Tiffany and Margaret Blake Distinguished Service Professor Emeritus, Department of Psychology, Irving B. Harris Graduate School of Public Policy Studies, Graduate School of Business, and the College; Research Associate at Large, NORC
- DAVID BRADLEY, Assistant Professor, Department of Psychology and the College
- CAROL BRECKENRIDGE, Senior Lecturer, Humanities Collegiate Division and Department of South Asian Languages & Civilizations
- JOHN BREHM, Professor, Department of Political Science and the College; Chair, Department of Political Science
- CATHERINE BREKUS, Associate Professor, Divinity School
- JASON BRIDGES, Assistant Professor, Department of Philosophy
- MENACHEM BRINKER, Henry Crown Professor of Literature, Department of Near Eastern Languages & Civilizations, Committee on Jewish Studies, and the College
- JEFFREY E. BROCK, Assistant Professor, Department of Mathematics and the College
- BILL BROWN, George M. Pullman Professor, Department of English Language & Literature, Committee on History of Culture, and the College
- DON S. BROWNING, Alexander Campbell Professor, Divinity School; Director, Lilly Project on Family, Culture, and Religion
- MARGOT BROWNING, Lecturer, Humanities Collegiate Division; Associate Director, Franke Institute for the Humanities; Executive Director, Big Problems Program

DANIEL BRUDNEY, Associate Professor, Department of Philosophy and the College; Director of Undergraduate Studies, Department of Philosophy
 FRANCESCO BRUNI, Visiting Professor, Department of Romance Languages & Literatures
 ANTHONY S. BRYK, Marshall Field IV Professor, Department of Sociology and the College; Director, Center for School Improvement
 BRUCE BUFFETT, Professor, Department of Geophysical Sciences
 SUSAN L. BURNS, Associate Professor, Department of History and the College
 LAURIE J. BUTLER, Professor, Department of Chemistry, James Franck Institute, and the College
 ROBERT A. BUTLER, Professor Emeritus, Departments of Psychology and Surgery, and the College

C

JOHN CACIOPPO, Tiffany and Margaret Blake Distinguished Service Professor, Department of Psychology, Institute for Mind and Biology, and the College
 PASTORA SAN JUAN CAFFERTY, Professor, School of Social Service Administration
 KATHLEEN A. CAGNEY, Assistant Professor, Department of Health Studies
 FANG-PEI CAI, Senior Lecturer, Department of East Asian Languages & Civilizations
 JOHN E. CARLSTROM, Professor, Departments of Astronomy & Astrophysics and Physics, Enrico Fermi Institute, Center for Cosmological Physics, and the College
 MANUELA CARNEIRO DA CUNHA, Professor, Department of Anthropology and the College
 SEAN M. CARROLL, Assistant Professor, Department of Physics, Enrico Fermi Institute, and the College
 MALCOLM J. CASADABAN, Associate Professor, Department of Molecular Genetics & Cell Biology, Committees on Genetics and Virology, and the College
 LAWRENCE P. CASALINO, Assistant Professor, Department of Health Studies
 MARY ANNE CASE, Arnold I. Shure Professor, Law School
 MARIA CASERTA, Associate Professor, Department of Psychiatry and the College; Director, Adult Resident Training
 FAUSTO CATTANEO, Assistant Professor, Department of Mathematics and the College
 DIPESH CHAKRABARTY, Lawrence A. Kimpton Distinguished Service Professor, Departments of South Asian Languages & Civilizations and History, and the College; Co-Chair, Department of South Asian Languages & Civilizations
 JAMES K. CHANDLER, Barbara E. and Richard J. Franke Professor, Department of English Language & Literature, Committee on History of Culture, and the College; Director, Franke Institute for the Humanities
 ANTHONY T. CHASE, Instructor, Human Rights Program, Center for International Studies
 GEORGE CHAUNCEY, Professor, Department of History and the College
 PAOLO A. CHERCHI, Professor Emeritus, Department of Romance Languages & Literatures and the College
 BARRY CHERNOFF, Lecturer, Committee on Evolutionary Biology and the College; Associate Curator, Department of Zoology, Field Museum of Natural History
 ZHIYI CHI, Assistant Professor, Department of Statistics, Committee on Computational Neuroscience, and the College
 KWEN-SHENG CHIANG, Associate Professor, Department of Molecular Genetics & Cell Biology, Committee on Genetics, and the College
 PIERRE-ANDRE CHIAPPORI, Professor, Department of Economics and the College; Editor, *Journal of Political Economy*
 KYEONG-HEE CHOI, Assistant Professor, Department of East Asian Languages & Civilizations
 THOMAS CHRISTENSEN, Professor, Department of Music and the College; Chair, Department of Music
 THOMAS CHRISTIANSON, Senior Lecturer, Biological Sciences Collegiate Division
 STEVEN CLANCY, Senior Lecturer, Department of Slavic Languages & Literatures
 SHELLEY CLARK, Assistant Professor, Irving B. Harris Graduate School of Public Policy Studies
 TERRY NICHOLS CLARK, Professor, Department of Sociology and the College; Coordinator, Fiscal Austerity and Urban Innovation Project
 ROBERT N. CLAYTON, Enrico Fermi Distinguished Service Professor Emeritus, Departments of Chemistry and Geophysical Sciences, Enrico Fermi Institute, and the College
 ELISABETH CLEMENS, Associate Professor, Department of Sociology and the College
 PHILIPPE CLUZEL, Assistant Professor, Department of Physics, Institute for Biophysical Dynamics, James Franck Institute, and the College
 MICHAEL COATES, Associate Professor, Department of Organismal Biology & Anatomy
 KATHRYN COCHRAN, Lecturer, Humanities, Arts, and Sciences, Graham School of General Studies; Associate Director, University Writing Programs, the College
 CATHY COHEN, Professor, Department of Political Science and the College; Director, Center for the Study of Race, Politics, & Culture

- CHARLES E. COHEN, Mary L. Block Professor, Department of Art History, Committee on the Visual Arts, and the College; Chair, Committee on the Visual Arts
- TED COHEN, Professor, Department of Philosophy, Committees on Art & Design and on Interdisciplinary Studies in the Humanities, and the College
- BERTRAM COHLER, William Rainey Harper Professor, the College, Departments of Psychology and Psychiatry, Divinity School, and Committees on Interdisciplinary Studies in the Humanities and Human Development
- BERNARD S. COHN, Professor Emeritus, Departments of Anthropology and History
- RICHARD L. COHN, Professor, Department of Music and the College
- JENNIFER COLE, Assistant Professor, Committee on Human Development and the College; Faculty Associate, Department of Anthropology and Committee on African & African-American Studies
- HEIDI COLEMAN, Director, University Theater
- JUAN I. COLLAR, Assistant Professor, Department of Physics, Enrico Fermi Institute, and the College
- STEVEN COLLINS, Professor, Department of South Asian Languages & Civilizations and the College
- CURT COLUMBUS, Visiting Lecturer, Humanities Collegiate Division
- JEAN COMAROFF, Bernard E. and Ellen C. Sunny Distinguished Service Professor, Department of Anthropology, Committee on African & African-American Studies, Morris Fishbein Center for the History of Science & Medicine, and the College
- JOHN L. COMAROFF, Harold H. Swift Distinguished Service Professor, Departments of Anthropology and Sociology, Committee on African & African-American Studies, and the College; Senior Research Fellow, American Bar Foundation
- JAMES CONANT, Professor, Department of Philosophy and the College
- PETER CONSTANTIN, Professor, Department of Mathematics and the College
- KATHLEEN N. CONZEN, Professor, Department of History and the College; Chair, Department of History
- MICHAEL P. CONZEN, Professor, Committee on Geographical Studies and the College; Chair, Committee on Geographical Studies
- EDWARD M. COOK, JR., Associate Professor, Department of History and the College
- MARC A. CORAM, Assistant Professor, Department of Statistics and the College
- KEVIN CORLETTE, Professor, Department of Mathematics and the College; Chair, Department of Mathematics
- BRADIN CORMACK, Assistant Professor, Department of English Language & Literature and the College
- CARL CORRELL, Assistant Professor, Department of Biochemistry & Molecular Biology
- DON L. COURSEY, Ameritech Professor, Irving B. Harris Graduate School of Public Policy Studies
- JACK D. COWAN, Professor, Departments of Mathematics and Neurology, Committee on Computational Neuroscience, and the College
- NANCY JEAN COX, Associate Professor, Departments of Human Genetics and Medicine
- JERRY COYNE, Professor, Department of Ecology & Evolution, Committees on Evolutionary Biology and Genetics, and the College
- JOHN E. CRAIG, Associate Professor, Division of the Social Sciences and the College
- STUART CREASON, Lecturer, Department of Near Eastern Languages & Civilizations and the College
- ALBERT V. CREWE, William E. Wrather Distinguished Service Professor Emeritus, Department of Physics, Enrico Fermi Institute, and the College
- TERRY CREWS, Lecturer, Humanities Collegiate Division; Dance Instructor, Department of Physical Education & Athletics
- JOHN CRISPINO, Assistant Professor, Ben May Institute for Cancer Research, Committees on Cancer Biology, Developmental Biology, and Immunology
- ANNA LISA CRONE, Professor, Department of Slavic Languages & Literatures and the College
- JAMES W. CRONIN, University Professor Emeritus, Departments of Physics and Astronomy & Astrophysics, Enrico Fermi Institute, and the College
- JOSEPH CROUSEY, Distinguished Service Professor Emeritus, Department of Political Science and the College
- MIHALY CSIKSZENTMIHALYI, Professor Emeritus, Departments of Psychology and Education, Committee on Human Development, and the College
- KYLE M. CUDWORTH, Professor, Department of Astronomy & Astrophysics and the College; Assistant Chair for Academic Affairs, Department of Astronomy & Astrophysics; Director, Yerkes Observatory
- KRISTINE A. CULP, Senior Lecturer, Divinity School; Dean, Disciples Divinity House
- BRUCE CUMINGS, Norman and Edna Freehling Professor, Department of History and the College

D

AMY DAHLSTROM, Associate Professor, Department of Linguistics
 ROBERT DANKOFF, Professor, Department of Near Eastern Languages & Civilizations and the College
 BILL J. DARDEN, Professor, Departments of Slavic Languages & Literatures and Linguistics
 ROBERT S. DAUM, Professor, Department of Pediatrics; Section Chief, Pediatric Infectious Diseases
 ARNOLD I. DAVIDSON, Professor, Departments of Philosophy and Comparative Literature, Divinity School, Committee on Conceptual & Historical Studies of Science, and the College; Executive Editor, *Critical Inquiry*
 JAMES A. DAVIS, Senior Lecturer, Department of Sociology and the College; Research Associate, NORC
 FREDERICK DE ARMAS, Andrew W. Mellon Professor in the Humanities, Department of Romance Languages & Literatures and the College
 RENÉ DE COSTA, Professor, Department of Romance Languages & Literatures, Center for Latin American Studies, and the College
 DAISY DELOGU, Assistant Professor, Department of Romance Languages & Literatures and the College
 LAURA DE MARCO, L. E. Dickson Instructor, Department of Mathematics and the College
 PETER F. DEMBOWSKI, Distinguished Service Professor Emeritus, Departments of Romance Languages & Literatures and Linguistics, Committee on Medieval Studies, and the College
 LAUREN DERBY, Senior Lecturer, Master of Arts Program in the Social Sciences
 PHILIPPE DESAN, Howard L. Willett Professor, Department of Romance Languages & Literatures, Committee on History of Culture, and the College; Editor, *Montaigne Studies*; Acting Chair, Committee on History of Culture
 HARRIET DE WIT, Associate Professor, Department of Psychiatry
 VIMALA DEVI, Visiting Lecturer, Department of South Asian Languages & Civilizations
 MICHAEL DIETLER, Associate Professor, Department of Anthropology, Committee on the Ancient Mediterranean World, and the College; Associate Member, Department of Classical Languages & Literatures
 JAMES DIGNAM, Assistant Professor, Department of Health Studies
 HELMA DIK, Assistant Professor, Department of Classical Languages & Literatures and the College
 ANNA DIRIENZO, Associate Professor, Department of Human Genetics
 NADINE DI VITO, Senior Lecturer, Department of Romance Languages & Literatures and the College; Director, Language Programs, Department of Romance Languages & Literatures
 SCOTT DODELSON, Associate Professor, Department of Astronomy & Astrophysics and the College; Fermi National Accelerator Laboratory
 WENDY DONIGER, Mircea Eliade Distinguished Service Professor, Divinity School, Department of South Asian Languages & Civilizations, Committees on the Ancient Mediterranean World and on Social Thought, and the College
 FRED M. DONNER, Professor, Department of Near Eastern Languages & Civilizations, Oriental Institute, and the College; Counselor for Graduate Students, Department of Near Eastern Languages & Civilizations
 PETER F. DORMAN, Associate Professor, Oriental Institute, Department of Near Eastern Languages & Civilizations, and the College; Chair, Department of Near Eastern Languages & Civilizations
 DANIEL DREZNER, Assistant Professor, Department of Political Science and the College
 VLADIMIR DRINFELD, Harry Pratt Judson Distinguished Service Professor, Department of Mathematics and the College
 WEI DU, Assistant Professor, Center for Molecular Oncology and Ben May Institute for Cancer Research
 PRASENJIT DUARA, Professor, Departments of History and East Asian Languages & Civilizations, Committee on History of Culture, and the College
 MARK DUGGAN, Assistant Professor, Department of Economics and the College
 VANJA DUKIC, Assistant Professor, Department of Health Studies and the College
 STARKEY DUNCAN, Professor, Department of Psychology and the College; Chair, Psychology Program in the College
 TODD DUPONT, Professor, Departments of Computer Science and Mathematics, James Franck Institute, and the College; Senior Fellow, Computation Institute
 KATHRYN DUYS, Lecturer, Humanities Collegiate Division
 GREG DWYER, Assistant Professor, Department of Ecology & Evolution

E

DEAN E. EASTMAN, Professor, Department of Physics and James Franck Institute
 PHILIP E. EATON, Professor Emeritus, Department of Chemistry and the College
 MILTON EHRE, Professor Emeritus, Department of Slavic Languages & Literatures and the College
 JEAN BETHKE ELSHTAIN, Laura Spelman Rockefeller Professor, Divinity School, Department of
 Political Science, and Committee on International Relations
 PHILIP ENGBLOM, Visiting Lecturer, Department of South Asian Languages & Civilizations
 J. RONALD ENGEL, Research Professor of Environmental and Social Ethics, Meadville Lombard
 Theological School
 DARBY ENGLISH, Assistant Professor, Department of Art History and the College
 EDGAR G. EPPS, Marshall Field Professor of Urban Education Emeritus, Department of Education
 and Center for School Improvement
 WOLFGANG EPSTEIN, Professor Emeritus, Departments of Molecular Genetics & Cell Biology and
 Biochemistry & Molecular Biology, and the College
 GIDON ESHEL, Assistant Professor, Department of Geophysical Sciences
 ALEX ESKIN, Professor, Department of Mathematics and the College
 ROCHELLE EASTON ESPOSITO, Professor, Department of Molecular Genetics & Cell Biology and
 the College

F

CHRISTOPHER A. FARAONE, Professor, Departments of Classical Languages & Literatures and
 New Testament & Early Christian Literature, Committees on the Ancient Mediterranean World and
 on Interdisciplinary Studies in the Humanities, and the College
 BENSON FARB, Professor, Department of Mathematics and the College
 WALTER FARBER, Professor, Oriental Institute, Department of Near Eastern Languages &
 Civilizations, and the College
 CONSTANTIN FASOLT, Professor, Department of History and the College
 MARTIN E. FEDER, Professor, Department of Organismal Biology & Anatomy, Committees on
 Molecular Medicine and on Evolutionary Biology, and the College
 ROBERT A. FEFFERMAN, Louis Block Professor in the Physical Sciences, Department of
 Mathematics and the College
 MARTHA FELDMAN, Associate Professor, Department of Music and the College
 EDWIN FERGUSON, Associate Professor, Departments of Molecular Genetics & Cell Biology and
 Organismal Biology & Anatomy, Committees on Genetics and on Cancer Biology, and the College;
 Chair, Committee on Developmental Biology
 JAMES W. FERNANDEZ, Professor Emeritus, Department of Anthropology, Committee on History
 of Culture, and the College
 NORMA M. FIELD, Robert S. Ingersoll Professor in Japanese Studies, Department of East Asian
 Languages & Civilizations and the College
 KESHA D. FIKES, Assistant Professor, Department of Anthropology and the College
 ROBERT FINDLER, Assistant Professor, Department of Computer Science and the College
 BEATRICE FINESCHI, Lecturer, Biological Sciences Collegiate Division
 ARIELA FINKELSTEIN, Senior Lecturer, Department of Near Eastern Languages & Civilizations
 and the College
 DAVID FINKELSTEIN, Associate Professor, Department of Philosophy and the College
 MICHAEL FISHBANE, Nathan Cummings Professor, Divinity School, Committee on Jewish
 Studies, Center for Middle Eastern Studies, and the College; Lecturer, Law School; Chair,
 Committee on Jewish Studies
 SUSAN FISHER, Clinical Professor, Department of Psychiatry; Faculty Associate, Committee on
 Human Development
 SHEILA FITZPATRICK, Bernadotte E. Schmitt Distinguished Service Professor, Department of
 History and the College; Editor, *Journal of Modern History*
 CORNELL FLEISCHER, Kanunî Süleyman Professor of Ottoman and Modern Turkish Studies,
 Departments of Near Eastern Languages & Civilizations and History, and the College
 JOHN FLYNN, Lecturer and Associate Chair, Committee on Evolutionary Biology; MacArthur
 Curator, Department of Geology, Field Museum of Natural History
 ROBERT W. FOGEL, Charles R. Walgreen Distinguished Service Professor of American Institutions,
 Graduate School of Business, Department of Economics, and Committee on Social Thought;
 Director, Center for Population Economics
 RAYMOND D. FOGELSON, Professor, Departments of Anthropology, Committee on Human
 Development, and the College
 MICHAEL J. FOOTE, Professor, Department of Geophysical Sciences, Committee on Evolutionary
 Biology, and the College

MICHAEL FORSTER, Professor, Department of Philosophy and the College; Chair, Department of Philosophy
 NORA FORSTER, Lecturer, Department of Near Eastern Languages & Civilizations and the College
 IAN FOSTER, Professor, Department of Computer Science and the College; Senior Fellow and Executive Committee Member, Computation Institute; Associate Director, Mathematics and Computer Science Division, Argonne National Laboratory
 AARON FOX, Professor, Department of Neurology, Pharmacology, & Physiology, Committees on Neurobiology and on Cell Physiology, and the College
 GUIDO FRANZOSO, Assistant Professor, Ben May Institute for Cancer Research, Gwen Knapp Center, Committees on Immunology and on Cancer Biology
 JOHN E. FREDERICK, Professor, Department of Geophysical Sciences and the College
 KARL F. FREED, Professor, Department of Chemistry, James Franck Institute, and the College
 PETER G. O. FREUND, Professor Emeritus, Department of Physics, Enrico Fermi Institute, and the College
 VICTOR A. FRIEDMAN, Andrew W. Mellon Professor of Slavic and Balkan Linguistics, Department of Slavic Languages & Literatures and the College; Chair, Department of Slavic Languages & Literatures
 HERBERT C. FRIEDMANN, Associate Professor, Department of Biochemistry & Molecular Biology and the College
 PAUL W. FRIEDRICH, Professor Emeritus, Departments of Anthropology and Linguistics, and Committee on Social Thought
 JOSHUA A. FRIEMAN, Professor, Department of Astronomy & Astrophysics and the College; Theoretical Astrophysics Group, Fermi National Accelerator Laboratory
 HENRY J. FRISCH, Professor, Department of Physics, Enrico Fermi Institute, and the College
 SUSAN FROMBERG SCHAEFFER, Alexander White Visiting Professor, Creative Writing, Department of English Language & Literature and the College
 TIKVA FRYMER-KENSKY, Professor, Divinity School, and Committees on Jewish Studies and on the Ancient Mediterranean World; Lecturer, Law School
 SEAN FULOP, Visiting Assistant Professor, Department of Linguistics
 RACHEL FULTON, Associate Professor, Department of History and the College
 MARC FUMAROLI, Visiting Professor, Department of Romance Languages & Literatures
 MARIA FUSARO, Assistant Professor, Department of History and the College

G

DENNIS GAITSGORY, Associate Professor, Department of Mathematics and the College
 THOMAS F. GAJEWSKI, Assistant Professor, Departments of Pathology and Medicine
 SUSAN GAL, Professor, Departments of Anthropology and Linguistics, and the College
 DAVID GALENSON, Professor, Department of Economics and the College
 FRANKLIN I. GAMWELL, Shailer Mathews Professor, Divinity School
 STUART B. GAZES, Senior Lecturer, Department of Physics and the College; Undergraduate Program Chair, Department of Physics
 PABLO GEJMAN, Professor, Department of Psychiatry; Director, Schizophrenia Genetics Research Program
 HERBERT GEORGE, Associate Professor, Committee on the Visual Arts and the College
 ROBERT P. GEROCH, Professor, Department of Physics, Enrico Fermi Institute, Committee on Conceptual & Historical Studies of Science, and the College
 GODFREY S. GETZ, Donald N. Pritzker Distinguished Service Professor, Departments of Pathology and Biochemistry & Molecular Biology, and the College
 ALAN GEWIRTH, Edward Carson Waller Distinguished Service Professor, Department of Philosophy
 MICHAEL E. GEYER, Professor, Department of History and the College
 SAEED GHAHREMANI, Lecturer, Department of Near Eastern Languages & Civilizations
 MAITREESH GHATAK, Assistant Professor, Department of Economics and the College
 ANASTASIA GIANNAKIDOU, Assistant Professor, Department of Linguistics
 MCGUIRE GIBSON, Professor, Oriental Institute and Department of Near Eastern Languages & Civilizations
 MARYELLEN L. GIGER, Professor and Director, Graduate Programs in Medical Physics, Department of Radiology
 W. CLARK GILPIN, Margaret E. Burton Professor, Divinity School and the College; Director, Martin Marty Center, Divinity School
 VICTOR GINZBURG, Professor, Department of Mathematics and the College
 ANDREAS GLAESER, Assistant Professor, Department of Sociology and the College
 CHARLES GLASER, Professor and Deputy Dean, Irving B. Harris Graduate School of Public Policy Studies; Director, Program in International Security Policy

GEORGE I. GLAUBERMAN, Professor, Department of Mathematics and the College
 BENJAMIN GLICK, Associate Professor, Department of Molecular Genetics & Cell Biology
 NORMAN GOLB, Ludwig Rosenberger Professor of Jewish History and Civilization, Department of
 Near Eastern Languages & Civilizations, Oriental Institute, and the College
 JAY GOLDBERG, Professor, Department of Neurology, Pharmacology, & Physiology, Committee on
 Neurobiology, and the College
 ANN DUDLEY GOLDBLATT, Lecturer, Social Sciences Collegiate Division, Department of
 Medicine, and Law School; Assistant Director, MacLean Center for Clinical Medical Ethics
 SUSAN GOLDIN-MEADOW, Irving B. Harris Professor, Department of Psychology, Committee on
 Human Development, and the College
 LARRY GOLDMAN, Clinical Professor, Department of Psychiatry; Director, Adult Psychiatry
 Program
 JACQUELINE GOLDSBY, Assistant Professor, Department of English Language & Literature and
 the College
 JACK GOLDSMITH, Professor, Law School
 JOHN A. GOLDSMITH, Edward Carson Waller Distinguished Service Professor, Department of
 Linguistics and the College
 JAN E. GOLDSTEIN, Professor, Department of History, Committee on Conceptual Foundations of
 Science, and the College; Editor, *Journal of Modern History*
 PAUL GOLDSTEIN, Lecturer, Committee on Evolutionary Biology; Assistant Curator, Division of
 Insects, Field Museum of Natural History
 WILLIAM GOLDSTEIN, Associate Professor, Department of Psychology, Committee on Human
 Development, and the College
 GREGORY GOLLEY, Assistant Professor, Department of East Asian Languages & Civilizations
 ROBERT GOMER, Carl William Eisendrath Distinguished Service Professor Emeritus, Department
 of Chemistry, James Franck Institute, and the College
 PETER GORDON, L. E. Dickson Instructor, Department of Mathematics and the College
 PHILIP GOSSETT, Robert W. Reneker Distinguished Service Professor, Department of Music and
 the College
 GENE B. GRAGG, Professor, Oriental Institute, Departments of Near Eastern Languages &
 Civilizations and Linguistics, Committee on the Ancient Mediterranean World, and the College
 CHARLES M. GRAY, Professor Emeritus, Department of History
 HANNA H. GRAY, Harry Pratt Judson Distinguished Service Professor Emerita, Department of
 History and the College; President Emerita of the University
 MICHAEL GREEN, Assistant Professor, Department of Philosophy
 WILLIAM GREEN, Associate Professor, Department of Neurobiology, Pharmacology, & Physiology,
 and Committees on Neurobiology and on Cell Physiology
 JEAN T. GREENBERG, Assistant Professor, Department of Molecular Genetics & Cell Biology
 GEOFFREY GREENE, Professor, Department of Biochemistry & Molecular Biology, Committee on
 Cancer Biology, and the College; Associate Director, Basic Sciences, Cancer Research Center;
 Associate Director, Ben May Institute for Cancer Research
 MICHAEL GREENSTONE, Assistant Professor, Department of Economics and the College
 RONALD GREGG, Lecturer and Director, Programming, Committee on Cinema & Media Studies
 DAVID G. GRIER, Professor, Department of Physics, James Franck Institute, Institute for
 Biophysical Dynamics, and the College
 JESPER GRODAL, L. E. Dickson Instructor, Department of Mathematics and the College
 LAWRENCE GROSSMAN, Professor, Department of Geophysical Sciences, Enrico Fermi Institute,
 and the College
 ELIZABETH GROVE, Associate Professor, Departments of Neurobiology, Pharmacology, &
 Physiology and Organismal Biology & Anatomy; Committees on Developmental Biology, Cancer
 Biology, and Neurobiology; and the College
 LLOYD GRUBER, Associate Professor, Irving B. Harris Graduate School of Public Policy Studies
 ILYA A. GRUZBERG, Assistant Professor, Department of Physics, James Franck Institute, and the
 College
 JEFFREY GRYNAVISKI, Assistant Professor, Department of Political Science and the College
 ANGELA GUGLIOTTA, Lecturer and Research Associate, Environmental Studies Program, the
 College, and Division of the Humanities
 THOMAS GUNNING, Edwin A. and Betty L. Bergman Distinguished Service Professor, Department
 of Art History, Committee on Cinema & Media Studies, and the College
 PHILIPPE GUYOT-SIONNEST, Professor, Departments of Chemistry and Physics, James Franck
 Institute, and the College
 SUSAN R. GZESH, Director, Human Rights Program, Center for International Studies

H

- ELAINE HADLEY, Associate Professor, Department of English Language & Literature and the College; Associate Chair, Graduate Studies, Department of English Language & Literature
- MELINA HALE, Assistant Professor, Department of Organismal Biology & Anatomy
- JONATHAN HALL, Professor, Departments of History and Classical Languages & Literature, and the College
- JONATHAN M. HALL, Lecturer, Department of East Asian Languages & Civilizations
- JACK HALPERN, Louis Block Distinguished Service Professor Emeritus, Department of Chemistry
- KIMM HAMANN, Research Associate (Associate Professor), Pulmonary & Critical Care Section, Department of Medicine, and Committees on Immunology and on Comparative Medicine & Pathology
- ERIC P. HAMP, Robert Maynard Hutchins Distinguished Service Professor Emeritus, Departments of Linguistics, Slavic Languages & Literatures, and Psychology, and Committee on the Ancient Mediterranean World
- DOROTHY A. HANCK, Professor, Cardiology Section, Department of Medicine
- SYDNEY L. HANS, Research Associate (Associate Professor), Department of Psychiatry; Director, Unit for Research in Child Psychiatry & Development
- JOHN MARK HANSEN, Charles L. Hutchinson Distinguished Service Professor, Department of Political Science and the College; Dean, Division of the Social Sciences
- LARS PETER HANSEN, Homer J. Livingston Distinguished Service Professor, Department of Economics and the College; Chair, Department of Economics
- MIRIAM HANSEN, Ferdinand Schevill Distinguished Service Professor in the Humanities, Department of English Language & Literature, Committees on the Visual Arts and on Cinema & Media Studies, and the College
- GUNNAR HANSSON, Assistant Professor, Department of Linguistics
- HRIPSIME HAROUTUNIAN, Lecturer in Armenian, Department of Near Eastern Languages & Civilizations; Research Professional, *Chicago Hittite Dictionary*, Oriental Institute; Editor, *Newsletter for Anatolian Studies*
- DONALD HARPER, Professor, East Asian Languages & Civilizations
- DOYAL A. HARPER, JR., Professor, Department of Astronomy & Astrophysics and the College
- NEIL HARRIS, Preston and Sterling Morton Professor, Department of History, Committee on Geographical Studies, and the College
- MELISSA HARRIS-LACEWELL, Assistant Professor, Department of Political Science and the College
- JEFFREY HARVEY, Enrico Fermi Distinguished Service Professor, Department of Physics, Enrico Fermi Institute, and the College; Chair, Department of Physics
- STEPHEN HARVEY, Assistant Professor, Department of Near Eastern Languages & Civilizations and the College
- ROBERT HASELKORN, Fanny L. Pritzker Distinguished Service Professor, Departments of Molecular Genetics & Cell Biology, Biochemistry & Molecular Biology, and Chemistry, Committees on Genetics, Developmental Biology and Virology, and the College; Director, Center for Photochemistry & Photobiology
- NICHOLAS HATSOPOULOS, Assistant Professor, Department of Organismal Biology & Anatomy
- JOHN HAUGELAND, Professor, Department of Philosophy, Committee on Conceptual & Historical Studies of Science, and the College
- CHUAN HE, Assistant Professor, Department of Chemistry and the College
- LAWRENCE HEANEY, Lecturer, Committee on Evolutionary Biology; Curator, Department of Zoology, Field Museum of Natural History
- JAMES J. HECKMAN, Henry Schultz Distinguished Service Professor, Department of Economics, Irving B. Harris Graduate School of Public Policy Studies, and the College; Director, Economics Research Center; Director, Center for Social Program Evaluation; Research Associate, Center on Demography & Economics of Aging, NORC
- DION L. HEINZ, Associate Professor, Department of Geophysical Sciences, James Franck Institute, and the College
- ALFRED HELLER, Professor, Department of Neurobiology, Pharmacology & Physiology, and the College
- DANA HELLER, Assistant Professor, Department of Economics and the College
- REINHOLD HELLER, Professor, Departments of Art History and Germanic Studies, Committee on the Visual Arts, and the College
- RICHARD HELLIE, Thomas E. Donnelley Professor, Department of History and the College; Chair, Russian Civilization Program, the College; Director, Center for East European & Russian/Eurasian Studies
- NANCY PEARCE HELMBOLD, Professor Emerita, Departments of Classical Languages & Literatures and New Testament & Early Christian Literature, and the College

ELIZABETH HELSINGER, John Matthews Manly Distinguished Service Professor, Departments of English Language & Literature and Art History, and the College; Chair, Department of English Language & Literature
 HENRY L. HENDERSON, Lecturer, Environmental Studies Program
 JULIA R. HENLEY, Assistant Professor, School of Social Service Administration
 GARY HERRIGEL, Associate Professor, Department of Political Science and the College
 DIANE L. HERRMANN, Senior Lecturer, Department of Mathematics and the College; Associate Director of Undergraduate Studies, Department of Mathematics
 TAMAR HERZOG, Assistant Professor, Department of History and the College
 PATRICK HEUVELINE, Assistant Professor, Department of Sociology and the College
 ROGER H. HILDEBRAND, Samuel K. Allison Distinguished Service Professor Emeritus, Departments of Physics and Astronomy & Astrophysics, Enrico Fermi Institute, and the College
 GREGORY L. HILLHOUSE, Professor, Department of Chemistry and the College
 DENIS HIRSCHFELDT, Assistant Professor, Department of Mathematics and the College
 ROBERT HO, Associate Professor, Department of Organismal Biology & Anatomy
 LEWIS M. HOBBS, Professor Emeritus, Department of Astronomy & Astrophysics and the College
 BERTHOLD HOECKNER, Associate Professor, Department of Music and the College
 WOUTER HOFF, Assistant Professor, Department of Biochemistry & Molecular Biology
 SHARON HOLLANDER, L. E. Dickson Instructor, Department of Mathematics and the College
 DORIS B. HOLLEB, Senior Research Associate, Social Sciences Collegiate Division
 THOMAS HOLT, James Westfall Thompson Distinguished Service Professor, Department of History and the College
 DWIGHT HOPKINS, Associate Professor, Divinity School
 MICHAEL D. HOPKINS, Professor, Department of Chemistry and the College
 ALI HORTAÇSU, Assistant Professor, Department of Economics
 DANIELA S. HRISTOVA, Assistant Professor, Department of Slavic Languages & Literatures and the College
 CHRISTOPHER HRUSKA, L. E. Dickson Instructor, Department of Mathematics and the College
 WAYNE HU, Assistant Professor, Department of Astronomy & Astrophysics
 RICHARD R. HUDSON, Professor, Department of Ecology & Evolution, Committees on Evolutionary Biology and on Genetics
 MUNIR HUMAYUN, Assistant Professor, Department of Geophysical Sciences
 ALISON HUNTER, Lecturer, Biological Sciences Collegiate Division
 DENNIS J. HUTCHINSON, William Rainey Harper Professor in the College; Senior Lecturer, Law School; Master, New Collegiate Division; Associate Dean, the College
 JANELLEN HUTTENLOCHER, William S. Gray Professor, Department of Psychology and the College

I

RONALD B. INDEN, Professor, Departments of History and South Asian Languages & Civilizations, and the College
 NORMAN W. INGHAM, Professor, Department of Slavic Languages & Literatures and the College
 LEO IRAKLIOTIS, Senior Lecturer, Department of Computer Science; Fellow, Computation Institute; Director, Master's and Professional Program, and Associate Chair, Department of Computer Science
 RUSTEM ISMAGILOV, Assistant Professor, Department of Chemistry and the College
 NAOUM ISSA, Assistant Professor, Department of Neurobiology, Pharmacology, & Physiology
 OREN IZENBERG, Associate Professor, Department of English Language & Literature and the College

J

DAVID JABLONSKI, William R. Kenan, Jr., Professor, Department of Geophysical Sciences, Committee on Evolutionary Biology, and the College
 BANA JABRI, Assistant Professor, Department of Pathology and the College
 PHILIP W. JACKSON, David Lee Shillinglaw Distinguished Service Professor Emeritus, Departments of Education and Psychology, and the College
 HEINRICH M. JAEGER, Professor, Department of Physics, James Franck Institute, and the College; Director, Materials Research Science & Engineering Center; Co-Director, UC-ANL Consortium for Nanoscience Research
 SAMUEL P. JAFFE, Professor, Department of Germanic Studies, Committees on Interdisciplinary Studies in the Humanities, Jewish Studies, and Medieval Studies, and the College
 ADRIAN JOHNS, Associate Professor, Department of History and the College

CHRISTOPHER JOHNSON, Assistant Professor, Committee on Human Development and the College
 D. GALE JOHNSON, Eliakim Hastings Moore Distinguished Service Professor Emeritus, Department of Economics and the College; Editor, *Economic Development and Cultural Change*
 JANET H. JOHNSON, Professor, Oriental Institute, Department of Near Eastern Languages & Civilizations, Committee on the Ancient Mediterranean World, and the College
 W. R. JOHNSON, John Matthews Manly Distinguished Service Professor Emeritus, Departments of Classical Languages & Literatures and Comparative Literature, and the College
 RICHARD F. JORDAN, Professor, Department of Chemistry and the College
 NGAWANG JORDEN, Lecturer, Department of South Asian Languages & Civilizations
 ROBERT JOSEPHS, Professor, Department of Molecular Genetics & Cell Biology and the College; Director, Electron Microscopy and Image Processing Lab
 BOYAN JOVANOVIĆ, Visiting Professor, Department of Economics and the College

K

LEO P. KADANOFF, John D. MacArthur Distinguished Service Professor Emeritus, Departments of Physics and Mathematics, James Franck Institute, Enrico Fermi Institute, and the College
 WADAD KADI, Avalon Foundation Distinguished Service Professor, Department of Near Eastern Languages & Civilizations and the College; Counselor for Graduate Students (medieval and modern fields), Department of Near Eastern Languages & Civilizations
 WALTER E. KAEGI, Professor, Department of History, Oriental Institute, Division of the Humanities, and the College
 STATHIS KALYVAS, Associate Professor, Department of Political Science and the College
 WOOWON KANG, Associate Professor, Department of Physics, James Franck Institute, and the College
 MATTHEW KAPSTEIN, Associate Professor, Department of South Asian Languages & Civilizations; Numata Visiting Professor, Divinity School
 TIM KARR, Assistant Professor, Department of Organismal Biology & Anatomy
 AMY A. KASS, Senior Lecturer, Humanities Collegiate Division
 LEON R. KASS, Addie Clark Harding Professor, Committee on Social Thought and the College
 FRIEDRICH KATZ, Morton D. Hull Distinguished Service Professor, Department of History and the College; Co-Director, Mexican Studies Program
 LESLIE KAY, Assistant Professor, Department of Psychology, Committees on Computational Neuroscience and on Neurobiology, and the College
 JOHN D. KELLY, Associate Professor, Department of Anthropology and the College; Master, Social Sciences Collegiate Division; Associate Dean, the College; Deputy Dean, Division of the Social Sciences
 ROBERT KENDRICK, Associate Professor, Department of Music and the College
 CARLOS E. KENIG, Louis Block Distinguished Service Professor, Department of Mathematics and the College
 KIMBERLY KENNY, Lecturer in Norwegian, Department of Germanic Studies and the College
 STEPHEN KENT, Professor, Departments of Biochemistry & Molecular Biology and Chemistry, and Institute for Biophysical Dynamics
 STEPHEN M. KENT, Associate Professor, Department of Astronomy & Astrophysics; Head, Experimental Astrophysics Group, Fermi National Accelerator Laboratory
 JAMES KETELAAR, Professor, Department of History and the College; Director, Center for East Asian Studies
 BOAZ KEYSAR, Associate Professor, Department of Psychology and the College
 EDWARD KIBBLEWHITE, Professor, Department of Astronomy & Astrophysics, Enrico Fermi Institute, and the College
 SUSAN M. KIDWELL, Professor, Department of Geophysical Sciences, Committee on Evolutionary Biology, and the College
 KWANG-JE KIM, Professor, Department of Physics and Enrico Fermi Institute; Associate Division Director, Accelerator Systems Division/Advanced Photon Source, Argonne National Laboratory
 YOUNG-KEE KIM, Professor, Department of Physics, Enrico Fermi Institute, and the College
 ROBERT C. KIRBY, Assistant Professor, Department of Computer Science and the College
 EDUARD KIRR, L. E. Dickson Instructor, Department of Mathematics and the College
 HANS-JOSEF KLAUCK, Professor, Divinity School
 JANICE L. KNIGHT, Associate Professor, Department of English Language & Literature and the College; Associate Chair, Undergraduate Studies, Department of English Language & Literature
 KENNETH KOENIG, L. E. Dickson Instructor, Department of Mathematics and the College
 SHOHEI KOIDE, Associate Professor, Department of Biochemistry & Molecular Biology and the College

ALAN L. KOLATA, Neukom Family Professor, Department of Anthropology and the College; Chair, Department of Anthropology
 EDWARD W. KOLB, Professor, Department of Astronomy & Astrophysics, Enrico Fermi Institute, and the College; Theoretical Astrophysics Group, Fermi National Accelerator Laboratory
 ARIEH KÖNIGL, Professor, Department of Astronomy & Astrophysics, Enrico Fermi Institute, and the College
 ROBERT KOTTWITZ, Professor, Department of Mathematics and the College
 NICHOLAS KOUCHOUKAS, Assistant Professor, Department of Anthropology and the College
 EMILIO KOURI, Assistant Professor, Department of History and the College
 SERGEY KOZMIN, Assistant Professor, Department of Chemistry and the College
 JOEL KRAEMER, John Henry Barrows Professor, Divinity School, Center for Middle Eastern Studies, and Committees on Social Thought and on Jewish Studies
 ANDREY KRAVTSOV, Assistant Professor, Department of Astronomy & Astrophysics
 MARTIN KREITMAN, Professor, Department of Ecology & Evolution, Committees on Evolutionary Biology and on Genetics, and the College
 MICHAEL KREMER, Professor, Department of Philosophy and the College
 RICHARD G. KRON, Professor, Department of Astronomy & Astrophysics and the College; Experimental Astrophysics Group, Fermi National Accelerator Laboratory
 STEPHEN J. KRON, Associate Professor, Department of Molecular Genetics & Cell Biology, Committees on Cancer Biology and on Genetics, Center for Molecular Oncology, and the College
 LOREN A. KRUGER, Professor, Departments of English Language & Literature and Comparative Literature, Committee on African & African-American Studies, and the College
 MARK KRUPNICK, Professor, Divinity School, Department of English Language & Literature, and Committee on Jewish Studies
 VINAY KUMAR, Professor and Chair, Department of Pathology
 JOANNA KUROWSKA-MLYNARCZYK, Lecturer, Department of Slavic Languages & Literatures
 STUART A. KURTZ, Professor, Department of Computer Science and the College; Senior Fellow, Computation Institute; Chair, Department of Computer Science
 DAVID KUTASOV, Professor, Department of Physics, Enrico Fermi Institute, and the College

L

MICHAEL C. LABARBERA, Professor, Departments of Organismal Biology & Anatomy and Geophysical Sciences, Committee on Evolutionary Biology, and the College
 BRUCE T. LAHN, Assistant Professor, Departments of Human Genetics and Molecular Genetics & Cell Biology, and Committee on Genetics; Assistant Investigator, Howard Hughes Medical Institute
 MARGARET LAIRD, Visiting Lecturer, Classical Languages & Literatures and the College
 STEVEN P. LALLEY, Professor, Department of Statistics and the College; Chair, Department of Statistics
 DON Q. LAMB, JR., Louis Block Professor, Department of Astronomy & Astrophysics, Enrico Fermi Institute, and the College
 GAYLE LAMPPA, Associate Professor, Department of Molecular Genetics & Cell Biology, Committee on Genetics, and the College
 JOHN LANTOS, Associate Professor, Departments of Pediatrics and Medicine; Section Chief, General Pediatrics; Associate Director, MacLean Center for Clinical Medical Ethics; Co-Director, Robert Wood Johnson Foundation Clinical Scholars Program
 EMMET LARKIN, Professor, Department of History
 CHARLES LARMORE, Professor, Departments of Philosophy and Political Science, Law School, and the College
 ERIC LARSEN, Senior Lecturer, Biological Sciences Collegiate Division
 JAMES F. LASTRA, Associate Professor, Department of English Language & Literature and the College; Chair, Committee on Cinema & Media Studies
 DIANE S. LAUDERDALE, Associate Professor, Department of Health Studies and the College; Associate Director, Robert Wood Johnson Foundation Clinical Scholars Program
 EDWARD O. LAUMANN, George Herbert Mead Distinguished Service Professor, Department of Sociology and the College; Interim Chair, Department of Sociology; Director, Ogburn Stouffer Center for Population and Social Organization, NORC
 JONATHAN LEAR, John U. Nef Distinguished Service Professor, Committee on Social Thought, Department of Philosophy, and the College
 NORMAN R. LEBOVITZ, Professor Emeritus, Department of Mathematics
 JUNG HYUCK LEE, Lecturer, Department of East Asian Languages & Civilizations
 KA YEE CHRISTINA LEE, Associate Professor, Department of Chemistry, James Franck Institute, Institute for Biophysical Dynamics, and the College
 MATHEW LEIBOLD, Associate Professor, Department of Ecology & Evolution, Committee on Evolutionary Biology, and the College; Chair, Committee on Evolutionary Biology

- JAMES LEITZEL, Senior Lecturer, Public Policy Studies, the College; Associate Director, Public Policy Studies
- RALPH LERNER, Benjamin Franklin Professor, the College and Committee on Social Thought
- CHRISTA LESE-MARTIN, Assistant Professor, Department of Human Genetics and the College; Director, Cytogenetics Laboratory
- LAURA LETINSKY, Associate Professor, Committee on the Visual Arts and the College; Director, M.F.A. Program, Committee on the Visual Arts
- RICCARDO LEVI-SETTI, Professor Emeritus, Department of Physics, Enrico Fermi Institute, and the College
- DAVID J. LEVIN, Associate Professor, Department of Germanic Studies, Committee on Cinema & Media Studies and on Interdisciplinary Studies in the Humanities, and the College; Chair of Theater and Performance Option, Committee on Interdisciplinary Studies in the Humanities
- KATHRYN LEVIN, Professor, Department of Physics, James Franck Institute, and the College
- DONALD N. LEVINE, Peter B. Ritzma Professor, Department of Sociology and the College
- SUSAN C. LEVINE, Professor, Department of Psychology and the College
- STEVEN LEVITT, Alvin H. Baum Professor, Department of Economics and the College; Editor, *Journal of Political Economy*
- GINA-ANNE LEVOW, Assistant Professor, Department of Computer Science and the College
- DONALD H. LEVY, Albert A. Michelson Distinguished Service Professor, Department of Chemistry, James Franck Institute, and the College; Editor, *Journal of Chemical Physics*
- JACOB T. LEVY, Assistant Professor, Department of Political Science and the College
- JERRE LEVY, Professor Emerita, Department of Psychology and the College
- MARTA LEWICKA, L. E. Dickson Instructor, Department of Mathematics and the College
- WEN-HSIUNG LI, George Beadle Professor, Department of Ecology & Evolution, Committee on Evolutionary Biology, and the College
- JOHN C. LIGHT, Professor Emeritus, Department of Chemistry, James Franck Institute, and the College; Associate Editor, *Journal of Chemical Physics*
- FREDERICK F. LIGHTHALL, Professor Emeritus, Departments of Education and Psychology, and the College
- MARK LILLA, Professor, Committee on Social Thought and the College
- VICTOR LIMA, Senior Lecturer, Department of Economics and the College
- ANNING LIN, Assistant Professor, Ben May Institute for Cancer Research
- BRUCE LINCOLN, Caroline E. Haskell Professor, Divinity School, Center for Middle Eastern Studies, Committees on the History of Culture and on the Ancient Mediterranean World; Associate Member, Departments of Anthropology and Classical Languages & Literatures
- JAMES LINDHOLM, Visiting Lecturer, Department of South Asian Languages & Civilizations
- LEONARD LINSKY, Professor Emeritus, Department of Philosophy and the College
- CHARLES LIPSON, Associate Professor, Department of Political Science and the College; Director, Program on International Politics, Economics, & Security
- ARUNAS L. LIULEVICIUS, Professor Emeritus, Department of Mathematics and the College
- PHILIP E. LLOYD, Associate Professor, Department of Neurobiology, Pharmacology, & Physiology, Committees on Cell Physiology and on Neurobiology, and the College
- MARK L. LOHMAN, Lecturer, Humanities Collegiate Division; Production Manager and Resident Designer, University Theater
- R. ERIC LOMBARD, Professor, Department of Organismal Biology & Anatomy, Committee on Evolutionary Biology, and the College; Dean for Admissions and Financial Aid, Pritzker School of Medicine; Faculty Director, Health Professions Advising, the College
- CLAUDIO LOMNITZ, Professor, Departments of Anthropology and History, and the College; Co-Director, Mexican Studies Program
- MANYUAN LONG, Assistant Professor, Department of Ecology & Evolution and Biological Sciences Collegiate Division
- HARUMI H. LORY, Senior Lecturer, Department of East Asian Languages & Civilizations
- ROBERT E. LUCAS, JR., John Dewey Distinguished Service Professor, Department of Economics and the College
- JOHN A. LUCY, William Benton Professor, Department of Psychology, Committee on Human Development, and the College; Faculty Associate, Department of Anthropology
- AGNES LUGO-ORTIZ, Associate Professor, Romance Languages & Literatures and the College
- TANYA LUHRMANN, Professor, Committees on Human Development, History of Culture, and South Asian Studies, and the College; Faculty Associate, Department of Anthropology
- HANNO LUSTIG, Assistant Professor, Department of Economics and the College
- MARK LYCETT, Lecturer, Social Sciences Collegiate Division; Research Associate, Department of Anthropology
- JOSEPH LYKKEN, Professor, Department of Physics and Enrico Fermi Institute; Scientist II, Theoretical Physics Department, Particle Physics Division, Fermi National Accelerator Laboratory

M

JOHN MACALOON, Professor, Social Sciences Collegiate Division; Associate Dean, Social Sciences Collegiate Division; Director, Master of Arts Program in the Social Sciences

DOUGLAS R. MACAYEAL, Professor, Department of Geophysical Sciences and the College

KAY MACLEOD, Assistant Professor, Ben May Institute for Cancer Research

SANDRA MACPHERSON, Assistant Professor, Department of English Language & Literature and the College

DAVID MACQUEEN, Professor, Department of Computer Science and the College

DARIO MAESTRIPIERI, Assistant Professor, Committees on Human Development and on Evolutionary Biology, Department of Psychology, Institute for Mind & Biology, and the College

ARMANDO MAGGI, Associate Professor, Department of Romance Languages & Literatures, Committee on History of Culture, and the College

SABA MAHMOOD, Assistant Professor, Divinity School

ANTHONY P. MAHOWALD, Louis Block Professor Emeritus, Departments of Genetics and Molecular Genetics & Cell Biology, Committee on Developmental Biology, Cancer Research Center, and the College

MARY MAHOWALD, Professor Emerita, Department of Obstetrics & Gynecology, MacLean Center for Clinical Medical Ethics, Committee on Genetics, and the College

SAREE MAKDISI, Associate Professor, Departments of English Language & Literature and Comparative Literature, and the College

MARVIN W. MAKINEN, Professor, Department of Biochemistry & Molecular Biology and the College

JOCELYN MALAMY, Assistant Professor, Department of Molecular Genetics & Cell Biology

VERA MALJKOVIC, Assistant Professor, Department of Psychology and the College

MICHAEL A. MANDELL, Assistant Professor, Department of Mathematics and the College

DANIEL MARGOLIASH, Professor, Departments of Organismal Biology & Anatomy and Psychology, Committees on Computational Neuroscience and on Neurobiology, and the College

HOWARD MARGOLIS, Professor, Irving B. Harris Graduate School of Public Policy Studies and the College

SUSAN MARGULIS, Lecturer, Committee on Evolutionary Biology; Behavioral Research Manager, Departments of Conservation Biology and Animal Collections, Brookfield Zoo

JEAN-LUC MARION, John Nuveen Professor, Divinity School, Department of Philosophy, Committee on Social Thought, and the College

PATCHEN MARKELL, Assistant Professor, Department of Political Science and the College

MCKIM MARRIOTT, Professor Emeritus, Department of Anthropology and the College

TERENCE E. MARTIN, Professor, Department of Molecular Genetics & Cell Biology, Committees on Genetics and on Immunology, and the College

EMIL J. MARTINEC, Professor, Department of Physics, Enrico Fermi Institute, and the College

DAVID MARTINEZ, Associate Professor, Department of Classical Languages & Literatures, Divinity School, and the College

JOSEPH P. MASCO, Assistant Professor, Department of Anthropology and the College

PEGGY MASON, Associate Professor, Department of Neurobiology, Pharmacology, & Physiology, Committee on Neurobiology, and the College

JILL MATEO, Assistant Professor, Committee on Human Development, Institute for Mind & Biology, and the College

J. PETER MAY, Professor, Department of Mathematics and the College

GENE F. MAZENKO, Professor, Department of Physics, James Franck Institute, and the College

 SHULAMIT RAN, William H. Colvin Professor, Department of Music and the College
 PAUL J. RATHOUZ, Assistant Professor, Department of Health Studies
 CYBELE C. RAVER, Associate Professor, Irving B. Harris School of Public Policy Studies
 VIRESH RAWAL, Professor, Department of Chemistry and the College
 ALLAN RECHTSCHAFFEN, Professor Emeritus, Departments of Psychiatry, Psychology, and the College
 JAMES M. REDFIELD, Edward Olson Distinguished Service Professor, Department of Classical Languages & Literatures, Committees on Social Thought and on the Ancient Mediterranean World, and the College

- TERRY REGIER, Associate Professor, Department of Psychology, Committee on Computational Neuroscience, and the College
- PHILIP RENY, Professor, Department of Economics and the College
- JOHN REPPY, Associate Professor, Department of Computer Science and the College
- FRANK E. REYNOLDS, Professor Emeritus, Divinity School and Department of South Asian Languages & Civilizations
- PHOEBE A. RICE, Assistant Professor, Department of Biochemistry & Molecular Biology
- STUART A. RICE, Frank P. Hixon Distinguished Service Professor, Department of Chemistry, James Franck Institute, and the College; Executive Director, Consortium for Advanced Radiation Sources
- ROBERT J. RICHARDS, Professor, Departments of History, Philosophy, and Psychology, and the College; Director, Morris Fishbein Center for the History of Science & Medicine; Director, Program in the History, Philosophy, & Social Studies of Science & Medicine
- HAROLD A. RICHMAN, Hermon Dunlap Smith Professor, School of Social Service Administration and the College; Faculty Associate, Chapin Hall Center for Children
- FRANK M. RICHTER, Sewell L. Avery Distinguished Service Professor, Department of Geophysical Sciences and the College
- MARTIN RIESEBRODT, Associate Professor, Divinity School and Department of Sociology
- ROBERT K. RITNER, Associate Professor, Oriental Institute, Department of Near Eastern Languages & Civilizations, Committee on the Ancient Mediterranean World, and the College
- VALERIE RITTER, Assistant Professor, Department of South Asian Languages & Civilizations and the College
- ANNE WALTERS ROBERTSON, Claire Dux Swift Professor, Department of Music and the College; Deputy Provost for Research and Education
- MELISSA RODERICK, Associate Professor, School of Social Service Administration
- ANNE ROGERS, Associate Professor, Department of Computer Science and the College
- BERNARD ROIZMAN, Joseph Regenstein Distinguished Service Professor, Departments of Biochemistry & Molecular Biology and Molecular Genetics & Cell Biology, and Committees on Genetics and on Virology; Chair, Committee on Virology
- KIMBERLY RORSCHACH, Associate Professor, Department of Art History and the College; Dana Feitler Director, Smart Museum of Art
- THOMAS F. ROSENBAUM, James Franck Professor, Department of Physics, James Franck Institute, and the College; Vice-President for Research and Argonne National Laboratory
- GERALD N. ROSENBERG, Associate Professor, Department of Political Science and the College
- MILTON J. ROSENBERG, Professor Emeritus, Department of Psychology and the College
- RICHARD A. ROSENGARTEN, Associate Professor, Divinity School and the College; Dean, Divinity School
- JONATHAN L. ROSNER, Professor, Department of Physics, Enrico Fermi Institute, and the College
- MARSHA R. ROSNER, Charles B. Huggins Professor, Department of Neurobiology, Pharmacology, & Physiology, Committees on Cancer Biology, on Developmental Biology, and on Cell Physiology; Director, Ben May Institute for Cancer Research
- ROBERT ROSNER, William E. Wrather Distinguished Service Professor, Departments of Astronomy & Astrophysics and Physics, Enrico Fermi Institute, and the College; Director, ASCI Flash Center
- LAINIE FRIEDMAN ROSS, Associate Professor, Department of Pediatrics and MacLean Center for Medical Ethics; Assistant Director, MacLean Center for Clinical Medical Ethics
- MARTHA T. ROTH, Professor, Oriental Institute, Department of Near Eastern Languages & Civilizations, Committees on the Ancient Mediterranean World and on Jewish Studies, Law School, and the College; Associate Chair, Undergraduate Program, Oriental Institute; Editor-in-Charge, *Assyrian Dictionary*
- MELVIN G. ROTHENBERG, Professor Emeritus, Department of Mathematics and the College
- LAWRENCE ROTHFIELD, Associate Professor, Departments of English Language & Literature and Comparative Literature, and the College; Faculty Director, Cultural Policy Center
- LUCIA ROTHMAN-DENES, Professor, Department of Molecular Genetics & Cell Biology, Committee on Genetics, and the College
- DAVID B. ROWLEY, Professor and Chair, Department of Geophysical Sciences
- D. NICHOLAS RUDALL, Associate Professor, Department of Classical Languages & Literatures, Committee on Interdisciplinary Studies in the Humanities, and the College; Founding Director, Court Theatre
- MANFRED D. E. RUDDAT, Associate Professor, Department of Ecology & Evolution, Committee on Developmental Biology, and the College; Associate Dean, the College; Senior Adviser, Biological Sciences Collegiate Division; Editor, *International Journal of Plant Sciences*
- LISA RUDDICK, Associate Professor, Department of English Language & Literature, Committee on Interdisciplinary Studies in the Humanities, and the College
- LLOYD I. RUDOLPH, Professor Emeritus, Department of Political Science and the College

DANILYN RUTHERFORD, Assistant Professor, Department of Anthropology and the College
 ALISON RUTTAN, Assistant Professor, Committee on the Visual Arts and Humanities Collegiate
 Division
 LEONID V. RYZHIK, Assistant Professor, Department of Mathematics and the College

S

JERROLD M. SADOCK, Glen A. Lloyd Distinguished Service Professor, Department of Linguistics
 and the College; Chair, Department of Linguistics
 RICHARD P. SALLER, Edward L. Ryerson Distinguished Service Professor, Departments of History,
 Classical Languages & Literatures, and New Testament & Early Christian Literature, and
 Committee on the Ancient Mediterranean World; Provost of the University
 PAUL J. SALLY, JR., Professor, Department of Mathematics and the College; Director,
 Undergraduate Studies, Department of Mathematics
 SHARON SALVETER, Senior Lecturer, Department of Computer Science and the College;
 Departmental Counselor, Department of Computer Science
 LESLIE SALZINGER, Assistant Professor, Department of Sociology and the College
 ALAN SANDERS, Assistant Professor, Department of Psychiatry
 ALLEN R. SANDERSON, Senior Lecturer, Department of Economics and the College; Associate
 Chair, Department of Economics; Senior Research Scientist, NORC
 SAMUEL SANDLER, Professor Emeritus, Department of Slavic Languages & Literatures
 HOWARD SANDROFF, Senior Lecturer, Department of Music; Director, Computer Music Studio
 MARIO SANTANA, Associate Professor, Department of Romance Languages & Literatures, Center
 for Latin American Studies, and the College
 ERIC L. SANTNER, Harriet and Ulrich E. Meyer Professor of Modern European Jewish History,
 Department of Germanic Studies, Committee on Jewish Studies, and the College; Chair,
 Department of Germanic Studies
 HANK SARTIN, Visiting Lecturer, Humanities Collegiate Division and Division of Humanities
 SASKIA SASSEN, Ralph Lewis Professor, Department of Sociology and the College
 JENNIFER SAUL, Resident, Department of Psychiatry
 GUY SAVARD, Professor, Department of Physics and Enrico Fermi Institute; Senior Scientist,
 Physics Division, Argonne National Laboratory
 JULIE SAVILLE, Associate Professor, Department of History and the College
 SUSANNE SCHENNACH, Assistant Professor, Department of Economics and the College
 NORBERT F. SCHERER, Professor, Department of Chemistry, James Franck Institute, Institute for
 Biophysical Dynamics, and the College
 JOHN P. SCHIFFER, Professor Emeritus, Department of Physics and Enrico Fermi Institute;
 Associate Director, Physics Division, Argonne National Laboratory
 JAY SCHLEUSENER, Associate Professor, Department of English Language & Literature and the
 College; Co-Director, Master of Arts Program in the Humanities
 DAVID SCHLOEN, Assistant Professor, Oriental Institute, Department of Near Eastern Languages &
 Civilizations, Committee on Jewish Studies, and the College; Graduate Counselor (ancient fields),
 Department of Near Eastern Languages & Civilizations
 URS SCHMIDT-OTT, Assistant Professor, Department of Organismal Biology & Anatomy and the
 College
 OLAF SCHNEEWIND, Professor, Department of Molecular Genetics & Cell Biology, Committee on
 Microbiology, and the Biological Sciences Collegiate Division; Chair, Committee on Microbiology
 BARBARA SCHNEIDER, Professor, Department of Sociology; Senior Social Scientist, NORC
 CHRISTOPHER SCHONBAUM, Senior Lecturer, Biological Sciences Collegiate Division
 MICHAEL D. SCHREIBER, Associate Professor, Department of Pediatrics; Vice-Chair, Academic
 Affairs, Department of Pediatrics
 SUSAN E. SCHREINER, Associate Professor, Divinity School
 BARBARA SCHUBERT, Senior Lecturer, Department of Music; Director, Performance Program
 R. BARTON SCHULTZ, Lecturer, Humanities Collegiate Division; Fellow, Division of the
 Humanities
 PAUL T. SCHUMACKER, Professor, Department of Medicine and Committee on Comparative
 Medicine & Pathology; Chair, Committee on Comparative Medicine & Pathology
 ERIC A. SCHWARTZ, Professor, Department of Neurobiology, Pharmacology, & Physiology,
 Committees on Neurobiology and on Cell Physiology
 WILLIAM SCHWEIKER, Professor, Divinity School and the College
 JOSHUA SCODEL, Professor, Departments of Comparative Literature and English Language &
 Literature, Committee on Interdisciplinary Studies in the Humanities, and the College; Chair,
 Department of Comparative Literature; Editor, *Modern Philology*

L. RIDGWAY SCOTT, Professor, Departments of Computer Science and Mathematics, and the College; Senior Fellow, Computation Institute

CLINTON BOOTH SEELY, Associate Professor and Co-Chair, Department of South Asian Languages & Civilizations

LINDA SEIDEL, Hanna Holborn Gray Professor, Department of Art History and the College; Chair, Department of Art History

PAUL SERENO, Associate Professor, Department of Organismal Biology & Anatomy

SAVDEEP S. SETHI, Assistant Professor, Department of Physics, Enrico Fermi Institute, and the College

WILLIAM SEWELL, Max Palevsky Professor, Departments of Political Science and History, and the College; Director, Center for Politics, History, & Culture

BOZENA SHALLCROSS, Associate Professor, Department of Slavic Languages & Literatures and the College

JAMES SHAPIRO, Professor, Department of Biochemistry & Molecular Biology

KAMAL SHARMA, Assistant Professor, Department of Neurobiology, Pharmacology, & Physiology

EDWARD SHAUGHNESSY, Lorraine J. and Herrlee G. Creel Professor in Early Chinese Studies, Department of East Asian Languages & Civilizations

STEVEN K. SHEVELL, Professor, Departments of Psychology and Ophthalmology & Visual Science, and the College

HOLLY SHISSLER, Assistant Professor, Department of Near Eastern Languages & Civilizations and the College

MELVYN J. SHOCHET, Elaine M. and Samuel D. Kersten, Jr., Distinguished Service Professor in the Physical Sciences, Department of Physics, Enrico Fermi Institute, and the College

NEIL H. SHUBIN, Professor and Chair, Department of Organismal Biology & Anatomy

RICHARD A. SHWEDER, William Claude Reavis Professor, Department of Psychology, Committees on Human Development and on South Asian Studies, and the College; Faculty Associate, Department of Anthropology

STEVEN J. SIBENER, Carl William Eisendrath Professor, Department of Chemistry, James Franck Institute, and the College; Director, James Franck Institute; Director, MURI Center for Materials Chemistry in the Space Environment

WILLIAM F. SIBLEY, Associate Professor, Department of East Asian Languages & Civilizations

MARK SIEGLER, Lindy Bergman Distinguished Service Professor; Department of Medicine, Committees on Clinical Pharmacology and on Interdisciplinary Studies in the Humanities; Director, MacLean Center for Clinical Medical Ethics; Member, Cancer Research Center; Physician, Primary Care Group

PETRA SIERWALD, Lecturer, Committee on Evolutionary Biology and the College; Assistant Curator, Division of Insects, Field Museum of Natural History

BERNARD S. SILBERMAN, Professor, Department of Political Science and the College; Member, Center for East Asian Studies

MICHAEL SILVERSTEIN, Samuel N. Harper Professor, Departments of Anthropology, Linguistics, and Psychology, and Committees on Ideas & Methods and on Interdisciplinary Studies in the Humanities

JANOS SIMON, Professor, Department of Computer Science and the College

HERMAN L. SINAICO, Professor, Committee on Interdisciplinary Studies in the Humanities and the College; Chair, Committee on Interdisciplinary Studies in the Humanities

HARINDER SINGH, Professor, Department of Molecular Genetics & Cell Biology, Committees on Developmental Biology, on Immunology, on Cancer Biology, and on Genetics, and Howard Hughes Medical Institute

SANGRAM SISODIA, Professor, Department of Neurobiology, Pharmacology, & Physiology; Director, Center for Molecular Neurobiology

WILLIAM SITES, Associate Professor, School of Social Service Administration

LARRY A. SJAASTAD, Professor, Department of Economics and the College

LAURA SKOSEY, Lecturer, Department of East Asian Languages & Civilizations

LAURA SLATKIN, Associate Professor, Department of Classical Languages & Literatures, Committee on the Ancient Mediterranean World, and the College

ERIC SLAUTER, Assistant Professor, Department of English Language & Literature and the College

DAVID SMIGELSKIS, Associate Professor, New Collegiate Division and the Humanities Collegiate Division

ADAM T. SMITH, Assistant Professor, Department of Anthropology and the College

JONATHAN Z. SMITH, Robert O. Anderson Distinguished Service Professor in the Humanities, the College; Program Coordinator, Religion & the Humanities

JOSEPH V. SMITH, Louis Block Professor, Department of Geophysical Sciences and the College; Scientific Coordinator, Consortium for Advanced Radiation Sources

RAYMOND T. SMITH, Professor Emeritus, Department of Anthropology

VIVIANNE C. SMITH, Professor, Departments of Ophthalmology & Visual Science

- DUNCAN SNIDAL, Associate Professor, Department of Political Science, Irving B. Harris Graduate School of Public Policy Studies, and the College; Director, Program on International Politics, Economics, & Security
- JOEL M. SNYDER, Professor, Department of Art History, Committees on the Visual Arts and on Interdisciplinary Studies in the Humanities, and the College
- ROBERT I. SOARE, Paul Snowden Russell Distinguished Service Professor, Departments of Computer Science and Mathematics, and the College
- HUGO F. SONNENSCHN, Adam Smith Distinguished Service Professor, Department of Economics and the College; President Emeritus and Honorary Trustee
- TOBIN R. SOSNICK, Associate Professor, Department of Biochemistry & Molecular Biology, Institute for Biophysical Dynamics, and the College
- ANNE SPERLING, Assistant Professor, Pulmonary & Critical Care Section, Department of Medicine
- RAMESH C. SRIVASTAVA, Professor, Department of Geophysical Sciences and the College
- BARBARA STAFFORD, William B. Ogden Distinguished Service Professor, Department of Art History and the College; Member, MacLean Center for Clinical Medical Ethics
- JONATHAN STALEY, Assistant Professor, Department of Molecular Genetics & Cell Biology and Committee on Genetics
- AMY DRU STANLEY, Associate Professor, Department of History, Committee on History of Culture, and the College
- DANIEL J. STEARNS, Lecturer, Humanities Collegiate Division; Technical Director, University Theater
- THEODORE L. STECK, Professor, Departments of Biochemistry & Molecular Biology and Molecular Genetics & Cell Biology, Committee on Cell Physiology, and the College; Chair, Environmental Studies Program
- GIL J. STEIN, Professor, Near Eastern Languages & Civilizations and the College; Director, Oriental Institute
- HOWARD STEIN, Professor Emeritus, Department of Philosophy and Committee on Conceptual Foundations of Science
- MICHAEL L. STEIN, Ralph and Mary Otis Isham Professor, Department of Statistics and the College; Director, Center for Integrating Statistical and Environmental Science
