FLAG Grants

The Foreign Language Acquisition Grant (FLAG) Program is designed to defray many of the expenses associated with summer language study abroad. To be considered for FLAG funding, applicants must have demonstrated at least first-year competence in the target language. They must also plan to enroll in an intermediate or advanced intensive language program abroad that is at least eight weeks in duration. Students should consult language departments to identify appropriate programs. Students planning to enroll in the University of Chicago's Summer Paris Program are eligible for FLAG funding and are encouraged to apply. FLAG applications are available in the College Dean's Office (HM 241) at the end of Autumn Quarter and are due mid-Winter Quarter.
